

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay.

The Specification has been amended to correct the drawing-figure description to refer to FIGS. 8 and 9.

This is not new matter because FIGS. 8 and 9 were submitted, albeit in informal form, with the original application papers, and both were specifically referred to in the originally filed Specification in the last paragraph of page 8.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
